three

six

seven

nine

four

five

thirteen

fifteen

Alphabet Picture with Capital Letters

Connect the dots in ABC order to complete the picture.

Then color in
Vint CyBear.

Identifying C and D

Color each space with the letter **C** black. Color each space with the letter **D** orange. Color all other spaces green.

Let's Practice Your Letters. Trace and write.

C c

D d

Practicing C and D

Let's practice writing your C and D letters.

Trace the C and c's.

Computers can
count change.

Trace the D and d's. Then trace the c's.

Digital devices can
download coupons.

Add the c's and d. Read the words out loud.

___ omputer

___ ownload

___ offee
maker

Identifying E and F

Help Ellen connect her cellphone to the Internet. The wireless signal is encrypted so you will need to follow the letter **E**. Color the path that leads to the wireless signal.

Practicing E and F

Let's practice writing your E and F letters.

Trace the E and e's.

Each device connected
to the internet needs
to be encrypted.

Trace the F and f's. Then trace the e's.

Firewalls are the first
line of defense for
protecting computers
from hackers.

Identifying Groups of 1 and 2 Objects

Draw a circle around each group of 1.

Draw a square around each group of 2.
